

Hello All,

I would like to thank all of the staff and crew at Kitchen Experts for such a GREAT job on my kitchen and bathroom remodels. Both projects superseded my expectations. The office staff was very professional and friendly as well as the crew, they left my home clean and dust free. The projects were completed in a timely manner and I received a great deal with pricing. I highly recommend Kitchen Experts of California to anyone waiting a remodel on their home.

I would like to especially thank John Lupo and Liz Olkiewics you two are awesome.

Sincerely,

Laura Grigsby
